

**Yolo Subbasin
Groundwater Agency**

***Learn about the Yolo Subbasin Groundwater Agency (YSGA)
and the Yolo Subbasin Groundwater Sustainability Plan (GSP).***

Yolo County Farm Bureau and Yolo Subbasin Groundwater Agency are hosting a public meeting to present information about the final Yolo Subbasin GSP adopted in January. This plan was formed to comply with the January 1, 2015 legislation requiring all subbasins create a Groundwater Sustainability Agency and then issue a Groundwater Sustainability Plan by January 2022.

**The Executive Summary of the Yolo Subbasin GSP plan is available on the YSGA's website at: yologroundwater.org
Please visit their site to learn about the program.**

**Date: Tuesday, June 28, 2022
Time: 6:00 pm to 8:00 pm
Place: Yolo County Fairgrounds
Waite Hall**

The program may be available on ZOOM. If you are interested please call 530.662.3211 for information.

**Please RSVP if you plan to attend so we have enough handouts for everyone
